

Jie Wu Weiss, Ph. D.

Associate Professor
Department of Health Science
California State University, Fullerton
P.O. Box 6870, Fullerton, CA 92834

Phone: (657) 278-4388
Fax: (657) 278-5317
E-mail: jweiss@fullerton.edu

EDUCATION

- **NIH Postdoctoral Fellow**, University of Southern California
- **Ph. D.**, Clinical Health Psychology, California School of Professional Psychology, L.A.
- **M. A.**, Psychology, California State University, L. A.
- **M. A.**, American Contemporary Literature, Shandong University, China
- **B. A.**, European and American Literature, Shandong University, China

EMPLOYMENT

Current Employment

05/2009 Associate Professor, Department of Health Science, CSUF

Previous Employment:

2004-2009 Assistant Professor, Department of Health Science, CSUF
2002-2004 Research Associate, Department of Preventive Medicine, USC
1999-2002 Research Assistant, Department of Preventive Medicine, USC
1998-1999 Research Assistant, California School of Professional Psychology, L.A.
1996-1998 Psychotherapist, Family Care Clinic, Pasadena, CA
1990-1995 Associate professor, Shandong University, China

Assigned Time and Other Major Responsibilities:

2005-Present Associate Director, Center for Healthy Lifestyles and Childhood Obesity Prevention
2008- Present Editor, Californian Journal of Health Promotion
2005-Present Principal Investigator for an NIH funded drug prevention project
2005- Present Co-Principal Investigator for CDC funded obesity prevention projects

PROFESSIONAL HONORS AND AWARDS:

\$573,187 (2008-2010) Center for Disease Control and Prevention
Co-Principal Investigator on the project “*An interdisciplinary approach addressing obesity: from infancy through adulthood.*”

\$275,000 (2005-2010) National Institute on Drug Abuse

	Principal Investigator on the project, “Predicting smoking and alcohol initiation”
\$1,900,000 (2009-2012)	Department of Defense Congressionally Directed Medical Research Programs. Co-PI on the project “Nutritional and exercise aspects of Prader-Willi Syndrome and childhood obesity.” USAMRMC # 07082001
\$386,000 (2005-2007)	Center for Disease Control and Prevention Co-Principal Investigator on the project “ <i>An interdisciplinary approach to prevent childhood obesity</i> ”
\$60,000 (2000-2002)	Tobacco-Related Disease Research Program, University of California, the President Office Principal Investigator on the project, “ <i>Smoking in Asian youth: Effect of self-image and family functioning.</i> ”
\$5,000 (2007-2008)	Special Fund for Research, Scholarship, and Creative Activity Principal Investigator on the project, “ <i>Mothers’ Feeding Decision Making in Prevention of Childhood Obesity</i> ”
\$5,000 (2004-2005)	Special Fund for Research, Scholarship, and Creative Activity Principal Investigator on the project, “ <i>Adolescents’ expectancies regarding ecstasy use</i> ”
\$500 (2005)	International Research Travel Award Supported by the Faculty Development Center, California State University, Fullerton for an international conference presentation
\$500 (2004)	Research Travel Award Supported by the Faculty Development Center, California State University, Fullerton for a national conference presentation
\$10,000 (1993-1994)	Outstanding Teaching Award Shandong University, China
2006	Award for Outstanding Service to External Communities, CSFU
2007	Award for Outstanding Scholarly and Creative Activity , CSFU
2009	Award for Outstanding Service to Students , California State University, Fullerton
2009	Faculty Scholar Award , California State University, Fullerton

TEACHING AREAS:

HESC 535	Program Planning and Evaluation
HESC 525	Complementary and Alternative Medicine
HESC 440	Determinants of Health Behavior

SCHOLARLY ACTIVITY

Editorial Position and Service

2008-Present	Editor , Californian Journal of Health Promotion
2007-Present	Editorial Board , <i>Scientific Journals International</i>
2006-Present	Associated Editor and Editorial Board , <i>Journal of Child and Family Studies</i>
2005-2008	Action Editor , <i>Nicotine and Tobacco Research</i>
2005-Present	Reviewer, <i>American Journal of Public Health</i>
2005-Present	Reviewer, <i>American Journal of Health Promotion</i>
2005-Present	Reviewer, <i>Journal of Adolescent Health</i>
2005-Present	Reviewer, <i>Ethnicity and Health</i>
2005-Present	Reviewer, <i>Journal of Health Communication</i>
2005-Present	Reviewer, <i>Journal of Health and Aging</i>

Professional Membership

2006-Present	Community-Campus Partnerships for Health
2006-Present	American Alliance for Health Physical Education Recreation and Dance
2005-Present	American Public Health Association
2004-Present	Society for Judgment and Decision Making
2004-Present	European Association of Decision Making
2003-Present	Asian-American Psychological Association
1999-Present	American Psychological Association, Division 28, Psychopharmacology
1999-Present	American Psychological Association, Division 40--Clinical Neuropsychology
1998-Present	American Psychological Association, Division 12, Substance Abuse
1998-Present	American Psychological Association, Division 38, Health Psychology
1997-Present	American Psychological Association

Professional Activities

Organization of the 44th international Annual Edwards Bayesian Research Conference, 2006

Organization of the 45th international Annual Edwards Bayesian Research Conference, 2007

Organization of a symposium for the 26th International Congress of Applied Psychology, Athens, Greece, 2006

Organization of a symposium for the 21st Subjective Probability, Utility, and Decision Making Conference, Warsaw, Poland, 2007.

Mentorship and research with students

Chairs and Members on Students' Thesis and Project Committees:

1. **Anna Hanlon** (grad student in MPH program), "Decision making process in eating behavior among college student," partially supported by CDC funded project
Role: Thesis committee Chair, 2009 (in working progress)
2. **Radhika Kumar** (grad student in MPH program), "Ayurvedic medicine and its effect on chronic pain."
Role: Thesis committee member, 2009 (in working progress)
3. **Melissa Belluz** (grad student in MPH program), "Decision making process in alcohol use and its impact on academic performance among college students," partially supported by CDC funded project
Role: Thesis committee chair, 2009 (in working progress)
4. **Suzanne Scholz** (grad student in MPH program), "Family's influence on childhood obesity," partially supported by CDC funded project
Role: Project chair, 2009 (in working progress)
5. **Lianne M. Nacpil** (grad student in MPH program), "A Pediatrician's Strategy for Obesity Prevention and Intervention in Latino Population: The Effect of Depressive Symptoms on Outcomes," partially supported by CDC funded project
Role: Thesis committee chair, 2009 (in working progress)
6. **Jennifer Dailey** (grad student in MPH program), "The association between role distortions and gender among children of alcoholics, ages 12-16 years old."
Role: Project chair, 2009 (in working progress)
7. **Connie Valencia** (grad student in MPH program), "Vicarious Utilities in Food Choices for Children," partially supported by CDC funded project
Role: Thesis committee chair, 2009 (in working progress)
8. **Leslie Lagos** (grad student in MPH program), "Obesity prevention strategies in the worksite."
Role: Thesis committee member, 2009 (in working progress)
9. **Melina Yepiz** (grad student in MPH program), "Mothers' role in food choices and its relationship with childhood obesity," partially supported by CDC funded project
Role: Thesis committee chair, 2009 (in working progress)
10. **Selina Brollini** (grad student in MPH program), "Psychosocial factors and lifestyle choices among college students," partially supported by CDC funded project
Role: Thesis committee chair, 2009 (in working progress)
11. **Chandana Tangella** (grad student in MPH program), "Effects of Parental Factors on Alcohol Use among Latino Adolescent Girls."
Role: Project committee member, 2009

5. Secretary, Asian American Pacific Islander Faculty and Staff Association Fall 2007-2008
6. MPH admission committee 2007-2009
7. Search committee member for the director of Health Promotion Research Institute, 2009
8. Committee member of International Education Committee, 2009 -2011
9. Personnel committee 2009

Community Involvement, Program Evaluation and Consultancy:

1. *Computerized Alcohol Screening and Intervention (CASI) Program* 6/2007 - 9/2009

This project is a collaborative effort between University of California, Irvine and California State University, Fullerton. The goal of this project is to implement and evaluate the effectiveness of a Computerized Alcohol Screening and Intervention developed by the emergency department at UCI in the Student Health and Counseling Center at CSUF.

Role: Program Evaluator

2. *PowerPlay-MD for children weight management* 9/2007-present

The purpose of the project is to evaluate and provide evidence based information on the effectiveness of a pediatric obesity intervention program, PowerPlay-MC-OC. In addition, we examined the association between programmatic outcomes and psychosocial factors.

Role: Project Director and Program Evaluator

3. *NuPAC Mini Grants* Fall, 2006
In Fall 2006, we assisted the *Nutrition and Physical Activity Collaborative* of the Orange County Health Care Agency in developing 5 mini grant evaluation packages. Each package included 1) goal and objectives of the program, 2) program methods, theoretical framework and measurements, 3) program activities and implementation strategies, 4) estimated budget, and 5) GIS maps of the targeted community. We had graduate-level Program Planning and Evaluation students involved in these evaluation packages.

Role: Consultant

4. *Proposition 10 Commission, Orange County* 7/2008 – 6/2011
Commission of Children and Families

The objectives of this program are to assess overall health, happiness, and parents' attitudes towards feeding their family; and to evaluate the effectiveness of the program in regards to children's weight management.

Role: Program Evaluator

5. *Dairy Council of California* 6/2007-9/2009

This organization developed an online nutrition intervention called the Personal Nutrition Planner. The project goals included: 1) conceptualization of the intervention, 2) survey measurement selection, 3) study design, and 4) final report on the effectiveness of the program

Role: Consultant

6. *Active Living in Santa Ana (ALISA)*

“Active Living In Santa Ana: A Partnership for Healthier Living” is a community-based physical activity project funded by the Robert Wood Johnson Foundation. The goal of our study was to conduct a needs assessment and to evaluate the effectiveness of this physical activity and obesity prevention in Orange County communities.

Role: Program Evaluator

7. *Research and Evaluation Committee, NuPAC* 2005-Present

The Center of Healthy Lifestyles and Childhood Obesity Prevention at California State University, Fullerton (CSUF) has collaborated with NuPAC for obesity prevention efforts. CSUF has provided support and consultation services to assist in the completion of multiple community- and school-based research projects. Faculty members from the Health Science Department worked with NuPAC to provided services for multiple program evaluation projects. These evaluation projects included five mini grant evaluation packages (such as: 1) OC Marathon for Kids, 2) Follow the Leader, 3) Better eating for Korean-Americans, 4) Point Project), and 5) Communities of Excellence (CX3).

Role: Chair of the Research and Evaluation Committee

8. *Drug prevention, teenager pregnancy, and domestic violence project* 2000-2001

Plaza Community Center, East Los Angeles

Working on the “Latino Community-based drug prevention, teenager pregnancy, and domestic violence research project”

Role: Consultant

9. *Member on OC Coordinated School Health Advisory Council* 2005-Present

10. *Member on OC Tobacco Use Prevention Coalition* 2005-Present
