

CURRICULUM VITAE
Dana Nelson Rutledge, PhD, RN

Email: drutledge@fullerton.edu
PROFESSIONAL REGISTRATION:

California: #472266

EDUCATION

<u>Institution</u>	<u>Date</u>	<u>Degree</u>
Depauw University Greencastle, IN	1976	Bachelor of Science in Nursing
University of Kentucky	1980	Master of Science in Nursing (Major: Adult Health Nursing) (Minor: Education)
University of Texas at Austin	1985	Doctor of Philosophy (Major: Nursing/Research)

PROFESSIONAL EXPERIENCE

1976-79	Staff nurse, Methodist Hospital Indianapolis IN; Norton Children's Hospital Louisville KY
1980-83	Instructor, Adult Health Nursing, Vanderbilt University School of Nursing (VUSN) Nashville TN
1983-84	Staff nurse, VAMC Nashville TN
1985-90	Lecturer in Nursing, VUSN
1987-88	Co-coordinator, Graduate Oncology Track VUSN
1988-90	Project Director, Drug-Induced Shivering Vanderbilt University Center for Nursing Research (NCNR 1 RO1 NR01 890-01)
1990-91	Research Assistant Professor, VUSN
1990-91	Director of Nursing Research, Vanderbilt University Medical Center
1992-94	Project Coordinator, Orange County Research Utilization in Nursing Project Irvine CA
1996-2002	Project Associate, California Strategic Planning Committee for Nursing, Irvine CA
1991...	Self-employed Nurse Consultant, Irvine CA
2002 - 2003	Lecturer in Nursing, California State University at Fullerton (CSUF)
2003-2008	Associate Professor of Nursing, CSUF
2004...	Nursing Research Facilitator, St. Joseph Hospital, Orange CA (20%)
2008...	Professor of Nursing, CSUF

HONORS/AWARDS

Inducted Sigma Theta Tau, National Honor Society for Nursing, 1985
 Deans' Award for Recognition of Faculty Achievement in Scholarly Endeavors, Vanderbilt University School of Nursing, 1988.
 Excellence in Research Award, Gamma Tau Chapter, Sigma Theta Tau International, 1994.
 Mentor, *Clinical Journal of Oncology Nursing* Mentor/Fellow Writing Program, 2001.
 Distinguished Lecturer, Cancer Institute of New Jersey, "Evidence Based Practice at a Cancer Center," 3/28/03.
 Keynote Speaker, Scripps Cancer Center's 23rd Annual Nurses Symposium, "Evidence-Based Practice: What Does it Mean to Cancer Nurses?" La Jolla, CA, 10/27/03.
 Recognition for Outstanding Scholarship & Creative Activity (resulting in highest quality, peer reviewed journal articles), Department of Nursing, CSUF, 2004.
 ONS Foundation 2004 Congress Scholarship Award (Sanofi-Synthelabo, INC), \$1000.
 Nominee, ONS/Roche Laboratories Distinguished Service Award, August 2005
 Clinical Scholar, UCLA 5th Annual Evidence-Based Practice Conference, "Creating Enthusiasm and Motivation for Evidence-Based Practice Changes" Los Angeles, 4/27/06.
 Keynote Speaker City of Hope National Medical Center Evidence Based Practice Fellowship, Duarte CA 3 times yearly 2005-2008
 Faculty Scholar Award for College of Health and Human Development (CSUF), Fall 2006, \$1000.
 2007 Eilyn Bushkin Friend of the Foundation Award, Oncology Nursing Society Foundation.

2009 Faculty Recognition - Service to Students, California State University Fullerton.

2010 Faculty Recognition - Scholarly & Creative Activity, Research that has led to the generation, integration, and dissemination of significant knowledge of work, CSUF.

2010 University of California, Irvine Clinical & Translational Science Award for Outstanding Community Research, Nursing

SCHOLARLY ACTIVITIES

PUBLICATIONS

Articles in refereed journals

Research Experiences

- Dissertation: Factors Related to Women's Practice of Breast Self-Examination, 1985.
- Co-Principal Investigator with Charles Saunders, M.D. "Cardiovascular Health Belief Model Questionnaire Validation Study." Pilot work for study "Effects of CPR Instruction on Cardiovascular Attitudes, Behaviors, and Beliefs in Adolescents." 1985-1986. Larger study not funded.
- Co-Principal Investigator with William Hartmann, M.D., Alan Winfield, M.D., Pat Oney Kinman, RN, MSN. "Exploration of Factors Affecting Mammography Behaviors in Employed Women." Funded through Vanderbilt University Medical Center, Department of Pathology, 1985-1986.
- Project Director for "Drug-Induced Shivering: Effects of a Nursing Measure," (Principal Investigator: Barbara I. Holtzclaw) National Center for Nursing Research, 1 ROI NR018790 01, 1988-1990.
- Project Coordinator, Orange County Research Utilization in Nursing Project, (Principal Investigator: Nancy Donaldson) Division of Nursing, 1992- Nov 1994.
- Co-Investigator (P.I. N.E. Donaldson). "California Research Utilization in Nursing," Approved Agency for Health Care Policy and Research, 1993; not funded.
- Co-Investigator. (P.I. N.E. Donaldson). "CalNOC Partners to Reduce Patient Falls Project." Agency for Health Care Research & Quality, 1-U18 HS 13704-01; 2002-2006.

- Co-investigator on an epidemiologic survey of FM patients (2006); Funding from the National Fibromyalgia Association, 2005-06.
- Co-investigator (with Principal Investigator Jessie Jones (Kinesiology). "Effects of topical 024 essential oils on level of exercise during a 12-week exercise program for women with fibromyalgia: A randomized, placebo controlled study." Funded by Swiss Medica for \$259,200, 2005-06.
- Principal Investigator (with Co-PI Amy Waunch) "Emergency Department Pediatric Temperature Study." Gamma Tau Chapter Sigma Theta Tau International, \$4000, 2007.
- Co-Investigator (PI Jones). FAME Project: Fibromyalgia Assessment, Management, and Education. UniHealth Foundation 06/01/07—12/30/09. \$298,102.
- Co-investigator. Project #6 (Jones, Zettel-Watson, co-PIs), "Prevalence, Type, and Severity of Chronic Pain among Overweight/Obese, Low Income Latino Adults Aged 40+." Centers for Disease Control 09/01/09--09/02/10. Interdisciplinary Approach to Address Obesity: From Infancy through Adulthood (PI: S. McMahan).
- Principal Investigator (Co-Is: Rose, Jones). "Circumstances of Falls among People with Fibromyalgia." California State University, Fullerton 03/01/20-02/28/11. \$5000.

Proposals Submitted

- Principal Investigator, "Effects of Two Instructional Methods on Breast Self-Examination Compliance." Grant Wright, President, Inventive Products Inc., Decatur, Illinois. Unfunded, 1989.
- Principal Investigator, "Effectiveness of the Sensor Pad™ on Lump Detection". American Cancer Society Institutional Research Grant. \$9711. Approved, not funded, 1990.
- Principal Investigator, "Effectiveness of Nurse-Directed Instruction on Lump Detection Accuracy" American Cancer Society Institutional Research Grant. \$8163. Approved, not funded, 1991.
- Principal Investigator, "Collaborative Distance Baccalaureate Nursing Program." Department of Health & Human Services, Public Health Service, Health Resources and Services Administration. \$1,115,159. Approved, not funded, 2003.
- Co-Investigator (with Principal Investigator Katie Skelton). "Clinical expert facilitators of EBP." AONE for \$8000, 2008. Unfunded.

Misc. Grants

- Principal Investigator, "Effectiveness of the Sensor Pad™ on Lump Detection". Vanderbilt University Research Council. March, 1990 - June 30, 1991. \$4317.
- Principal Investigator, "Sensor Pad™ Effectiveness Study." Private award, Inventive Products Inc. (Grant Wright, President; Decatur, Illinois).
- Principal Investigator, Pilot Work for "Effectiveness of the Sensor Pad™ on Lump Detection". Dean's Fund for Research, Vanderbilt University School of Nursing, July 1, 1988 - June 30, 1989. \$500.
- Co-PI's: **D.N. Rutledge**, N.E. Donaldson, "Effects of Regional Networking and Continuing Education on RN Research Use," Gamma Tau Chapter, Sigma Theta Tau, February 1994. \$2000.
- Patient Safety Consultant. (P.I. C. Latham). "University-Service Collaboration for Nurse Retention." HRSA , ; 2004-2008. Development of needs based educational programs for hospital staff focusing on 3 patient safety indicators.

EDITORIAL/REVIEW ACTIVITIES

- Current manuscript reviewer, *Western Journal of Nursing Research* (since 2009), *Journal of Professional Nursing* (since 2009), *Psychology, Health, & Medicine*, (since 2008), *Journal of Nursing Scholarship* (since 2007), *Applied Nursing Research* (since 1995).
- Reviewer, 2006 ONS PEP¹ Resources on Pain. Evaluated PEP Card, PEP Website Information, tables of evidence for primary studies, reviews, guidelines.
- Reviewer, Professional Development and Issues 2005 *AJN* Book of the Year Award.
- Non-Great Britain Reviewer, 2005 National Cancer Research Institute Supportive and Palliative Care Research Collaboratives, Funding by Department of Health, Marie Curie Cancer Care, Macmillan Cancer Relief, Cancer Research UK, Medical Research Council UK.

¹ Putting Evidence into Practice

Reviewer, Manuscript Central™ software for the Oncology Nursing Press, 2002. This is software used by journal editors and manuscript submitters.

Problem and Intervention Resource (PAIR) reviewer, *ONOnline*, 2002. PAIR is an online alphabetized, cross-referenced, quick reference to symptoms associated with cancer and cancer treatments.

Contributing Editor, *ONSNews*, 2001 – 2004.

Guest Editor, *Seminars in Oncology Nursing*, Evidence-Based Oncology Nursing Practice, February 2002.

Advisory Board, CSUDH Student Online Journal, Dominguez Hills CA, 2000-2001.

Editor, *Clinical Oncology Update. A Nursing Perspective*. Philadelphia: Churchill Livingstone, 2000-2001.

Co-Editor, *CINAHL Online Journal of Clinical Innovations*, Glendale CA, 1995 – 2008.

Manuscript reviewer, *Journal of Nursing Scholarship*, 2009 – present.

Manuscript reviewer, *Worldviews on Evidence-Based Nursing*, 2003 – present.

Manuscript reviewer, *American Journal of Nursing*, 2003 – present.

Manuscript reviewer, *Applied Nursing Research*, 2001 – present.

Manuscript reviewer, *Oncology Nursing Forum*, 1996 - 2000.

Manuscript reviewer, *Preventive Medicine* 1989 - 1996.

Reviewer, Mosby-YearBook, Inc., 1989.

PROFESSIONAL ORGANIZATION PARTICIPATION

American Nurses' Association

Tennessee Nurses' Association, 1980-92 California Nurses' Association, 1992-95.

California Council of Nurse Researchers, 1992-95.

ANA/C, 1996-2002; 2009....

Sigma Theta Tau (National Honor Society for Nursing) Iota Chapter, 1985-91.

Nursing Research Committee, Iota Chapter STT, 1986-91.

Chair, 1988-89.

Gamma Tau (UCLA) Chapter, 1992-present.

CSUF Nursing Honor Society, 2003-present.

Chair, Research Committee, 2003 – present.

Upsilon Beta (CSUF) Chapter, 2006-present.

Oncology Nursing Society

National: 1985-present.

Evidence-Based Practice Advisory Team, 2009-2011.

Work team for relaunch of *ONSNews*, 2006-2007.

Work team consultant, ONS regional conferences, 2004.

Consultant, Advanced Practice Nurse EBP Work Group, 2001, 2002.

Contributing Editor, *ONSNews*, 2001-2005.

Team Leader, Online Evidence Based Practice Resource Center, 2001: <http://www.ons.org>

Coordinated/moderated International Symposium, Congress 2001.

Work team to plan Cancer Nursing Research Conferences, Newport Beach CA, 2001
Jacksonville FL.

Research Grant Review Committee: 1990-95. Chair, 1994, 1995.

Ortho Biotech Practice Change Grant Reviewer, 2003.

Research Committee, Core Member, 1992-94.

Collateral Member, 1990, 1991

Moderated Advanced Research Abstract Session, ONS Congress, 1993.

Headed up revision of Directory of Nurse Researchers, 1990-91.

Congress Committee, 1994-96.

Orange County Chapter (OCONS): 1996 - present.

Committee, joint conference with Greater Long Beach Orange County Chapter AACN/OCONS

“Caring Critically for Oncology Patients”, October 3, 2003.

Website administrator, 2001-2008.

Director at Large, 1996-97; 1999-2001.

President-Elect, 1997-98; President, 1998-99.

Middle Tennessee Chapter (MTCONS): 1985-91.

MTCONS Conference Committee: 1985, 1989.

Board of Directors, MTCONS, 1986-90.

Chair, Women with Cancer Conference dinner committee, 1987.

Treasurer, MTCNS, 1988-90.

Chair, Nominating Committee, 1989-90.

Western Society for Research in Nursing/Western Institute of Nursing, 1993 - 2002.

Associates for the Advancement of Nursing Science and Research.

University of California, Irvine. 1992-1998.

University of California at Irvine Community Alliance for Research in Nursing.

Chair, 1994-96.

Nominating Committee, 1994.

Southern Nursing Research Society, 1987-92, 2001-02.

Chair, Abstract Review Panel, 6th Annual Conference, 1992.

Vanderbilt Council of Nurse Researchers. 1985-87.

COMMUNITY ORGANIZATION PARTICIPATION

California State University at Fullerton, College of Nursing Advisory Committee, Fall 1999 – 2002.

American Cancer Society, Nashville/Davidson County.

Nursing Education Committee, 1982-1984.

Board of Directors, 1988 - 1991.

Service and Rehabilitation Committee, 1988 - 1991; Chair, 1989-1990.

American Cancer Society, Orange County.

I Can Cope facilitator, 2002.

The Wellness Society of Orange County

Professional Advisory Board, 2003 - 2006.

National Fibromyalgia Association.

Fibromyalgia Epidemiological Task Force, Core Committee, Appointed December 2004.

City of Hope National Medical Center, Duarte CA.

Advisory Board for Evidence-Based Practice 2005 - 2008.

CONSULTANT ACTIVITIES

Nursing research on fatigue in patients receiving biological response modifiers; Biotherapy Study Group, Franklin, TN; 1988-1990.

Consultant, "Evaluation of Three Oral Care Protocols for Patients Receiving Stomatotoxic Agents" (Principal Investigator: Debra Wujcik). Approved but not funded 1988, Oncology Nursing Foundation/Bristol Myers Grant.

"Best Practices: Health Care Innovations," with Nancy E. Donaldson, Director, Clinical Effectiveness and Outcomes, UniHealth of America, Inc. A 2-day seminar for patient care leaders, spring 1994-95.

Conducted organizational assessment of research expertise resources and developed strategic goals related to research conduct and utilization; identified clinical problems suited to research conduct and utilization; spearheaded organizational process of wound care standardization; presented organizationally specific continuing education for staff nurses. 1993-95. (University of California, Irvine Advancement of Research in Nursing, Pilot project for Visiting Nurses Association of Orange County).

Identification of clinical issues/utilization of current research, February 1995. (Hoag Hospital, Newport Beach CA).

Analysis of best practices, report writing, continuing education for nurses on use of innovations in practice, change theory. (Unihealth of America, Nancy Donaldson, Director of Quality Improvement and Best Practices; 1993-95).

Designed, carried out survey to determine nurses' perceptions of diarrhea incidence, treatment in patients with cancer. Worked with members of speakers' panel on diarrhea education for nurses; developed audiovisual presentation for multiple users. Presented paper "Diarrhea in the Cancer Patient: Perceptions and Reality" at Symposium, ONS Congress, May 1996. Manuscript (Authors: Rutledge and C. Engelking), "Cancer-Related Diarrhea: Selected Findings of a National Survey of Oncology Nurse Experiences" published June 1998 in *Oncology Nursing Forum*. Applied Clinical Communications/Sandoz Oncology (now Novartis). Nursing Workforce on Diarrhea Management, 1995-96.

Data analysis and synthesis, pain management at a home health care agency (Judith Chodil, Principal Investigator; project dates, 1995-97).

Consultant on a series of projects, both data-based and curricular, dealing with values in medical students, use of standardized patients in medical education and for evaluation of foreign medical graduates, and development of computer-assisted learning in core oncology content for medical students/residents.

- Developed quality control program of Student Training Center, starting with needs assessment of physician faculty, medical students. (Ellen Lewis, Director, Medical Education Training Center and Coordinator, Nursing and Allied Health; University of California, Irvine College of Medicine, 1995-2002).
- Webmaster and Project Associate, California Strategic Planning Committee in Nursing/Colleagues in Caring (CSPCN/CIC), 1996-2002. (<http://www.ucihs.uci.edu/cspcn>) Robert Wood Johnson Foundation, E.M.Lewis, Project Investigator, UC Irvine.
- Director, Cancer Nursing Research Course and Coordinator, Cancer Nursing Research Utilization Short Course, sponsored by Oncology Nursing Society/National Cancer Institute (Marcia Grant, Principal Investigator; 1997-2003; NCI funding: \$433,600). Primary responsibility for fall research utilization course. Developed Preparation Packet for students, fall 2000.
- "Breast Cancer Detection Knowledge, Attitudes, and Beliefs in Pennsylvania Women." (Andrea Barsevick, Principal Investigator; funding Womens' Clubs of Pennsylvania; project dates, 1995-99). Carried out data analysis, wrote manuscript, developed educational plan.
- Co-editor/Author, *Online Journal of Clinical Innovation* (www.cinahl.com select *OJCI*), a series of literature syntheses focusing on clinically relevant knowledge utilization and evidence-based practice implications, Cumulative Index of Nursing and Allied Health Literature, (1995 -present)
- "Efficacy of epidural pain management for patients with colon and rectal resection," St Jude Medical Center (Sharon Dickerson, nursing investigator, Steve Wilson, M.D.; 1996-1998, inactive).
- Evaluation of nurses' attitudes and knowledge of pain management: a multisite study. Judith Chodil, Principal Investigator; D. Rutledge, Data Manager. Sponsored by the OCRUN Focus Group on Pain Management. 1997-1999. Status: Completed data collection/analysis.
- Evaluation of the Healing Odyssey Program (Nancy Raymon, Principal Investigator; D. Rutledge, consultant and Project Coordinator). Oncology Nursing Foundation (\$7500); Healing Odyssey Inc. (\$5000). 1998-2001.
- Consultant CSU Dominguez Hills. (Project Coordinator, Judith Chodil) Student online journal. 1999-2001. Online CE workshop development, implementation (10/4 – 11/18/00).
- Editor, *Clinical Oncology Nursing Updates*. Philadelphia: Churchill Livingstone, 2000.
- Consultant Competency-based Role Development Project Pilot Implementation Team (CSPCN/CIC work group). (Project Coordinator, Sarah Keating; Co-Chairs: Arlene Sargent, Polly Walker) Carried out pilot study evaluating presence of role-based differentiated practice descriptors in job descriptions, performance appraisals from 22 California hospitals. Assisted in implementation of alpha site selection for project. June 2000-Dec 2001. Status: pilot study completed.
- Consultant, ONS Advanced Practice Retreat Work Group on Evidence-Based Practice (Team Leader, Mary Cunningham). Helped prepare program for 4-day retreat 2001, served as consultant for follow-up activities (4 literature syntheses developed by teams of advanced practice nurses, educators, researchers).
- Consultant, Center for Research & Innovation in Patient Care, University of California San Francisco School of Nursing. 2001-2003. Assisted nurses to focus quality improvement project related to abdominal distention in patients recovering from scoliosis repair surgery. Assisted work team to prepare questionnaires - for staff and for parents – for survey related to patient care surrounding pediatric palliative care. Provided focused literature search on psychosocial effects of hospitalization for children and adolescents with chronic illness. Focused on dissemination of nurse work satisfaction data across multisites/units. Consulted on manuscript re: falls/restraint use for CalNOC.
- Consultant, ONS Advanced Practice Retreat on Evidence-Based Practice (Team Leader, Lauryl Matey). Co-keynote speaker, speaker at 2 of 4 breakout sessions for 3-day retreat November 2002.
- Consultant on evidence-based practice, St. Jude Medical Center, Fullerton CA, 2005- .
- Ad hoc advisory board for the Evidence-Based Practice Project team at the City of Hope Medical Center, 2005- .
- Consultant on Magnet Accreditation, research facilitation. Northridge Medical Center (CA), 2008-2010.
- Consultant on Magnet Accreditation, research facilitation. Torrance Memorial Medical Center (CA), 2010.
